SLU English: Intern Survey

Student name:
Student e-mail:
Semester: Fall Spring Year
Internship employer name:
Dates of internship:
Students are asked to evaluate their internship experience by completing an internship survey after they submit their final paper (project).
Complete this form and return it to Dr Antony Hasler, Internship Coordinator, Department of English, antony.hasler@slu.edu, no later than May 22.
1. In what ways did your classes and campus activities prepare you for your internship?
2. Can you think of any other courses, campus activities or work experience that might have helped you prepare for your internship?

3. ones y	Circle ou did.	the statement(s) that best describe your answer, and briefly explain why you chose th
	a. b. c. d.	This program provided me with a better understanding of my career goals. This program increased my skills and knowledge in performing a particular activity. This program changed my attitudes or feelings about myself and other people. This program gave me the opportunity to apply theoretical concepts to the work environment.
4.	How v	would you describe the educational value of your internship?
5.	How c	closely did you feel the experience was related to your major field or career goals?
6.	How, i	if applicable, did your technological skills apply to the position?
